

Midland County Parks and Recreation strives to create park facilities and steward land making our community better than it was yesterday. It is our goal to provide visitors with the best recreation experience possible, on properties that capitalize on local natural resources. Midland County Parks and Recreation properties are a mix of amenity rich parks and rustic/passive use properties. Midland County Parks and Recreation's goal is to serve all visitors with a focus on stewardship of land and financial resources, accessibility and provision of quality outdoor spaces that enrich the health of the individual and the community of Midland County overall.
